**Do you REALLY know what you THINK you know?**

## **JEWISH MYTHS AND BUBBEMEISES**

**We all know – or THINK we know! – some things for certain about the traditional view of Jewish life and law, such as:**

- The Talmud says that women cannot touch or read from the Torah scroll
- Lying is always wrong
- A mitzvah is a good deed
- The Mourner's Kaddish is a prayer for the dead
- Kashrut laws were meant to protect our health
- Judaism opposes birth control
- Jewish prayer should be only in Hebrew

**None of these are totally true, or totally false. Rabbi Paula Goldberg will lead our exploration of these and other ideas, superstitions, and bubbe meises (old wives' tales). Come and be surprised by what we know, and what we don't!**

*If there's a story or question you want to explore, email Rabbi Paula at [rabbipaula@gmail.com](mailto:rabbipaula@gmail.com)*

**RSVP to Amy Buondonno ([abuondonno@hotmail.com](mailto:abuondonno@hotmail.com), 215-450-4207) so there will be plenty of healthy noshies. Come to all sessions, or just what your schedule can accommodate.**
